Handtool Tool Tune-Up

sharpening stones, lubricant (I use oilstones but you may bring whatever you use), and a stone holder
flat mill file
small triangular saw file
12" straight edge, precision ground and engineer's square OR
12" combination square, good quality
burnisher
strop and rouge

Tools you would like to tune-up may include the following:

hand planes (metal or wooden sole)
chisels
spokeshaves
scrapers (card and/or cabinet)
marking or morticing gauges
backsaws
veneer saws
carving tools
any other tools you'd like to work on
